

WORTH WAITING FOR - - Postponed on account of bad weather, Southend's Tiny Tots' Parade is held under favourable conditions. - Essex-

Picture.:- This is where the kiddies get their innings ! Southend's tiny--

--tots parade attracts three hundred youngsters in fancy dress and naturally proud paying--

--parents, as well !, while the Carnival Queen presides in state.

The kiddies have made their mothers and fathers show--

--lots of ingenuity in devising original costumes. Some of them are so elaborate that Pa's holiday budget already--

--shows a deficit, and the landlady not paid. But the babies are pleased, so--

--what matters ? This heavy applause is caused--

--by a giant yo-yo ! Say ninety-nine ! Indians and--

--cow-punchers are very popular among adventurous 6-year-olds, but a gentle--

--shepherdess gets a first girls' first prize. The boys'--

--first is won by an imitation of Jim--

--Mellison in flying kit. A very topical effort ! A disconsolate Adam is offered--

--a bite of Eve's apple ! Even at that age !
