

2-051951

THE MOTOR SHOW - - One of the most notable exhibitions since the invention of the "horse-less carriage".

-London-

---

Picture.:- If you wish to become utterly discontented with your present car, go to the Motor Show, if you are lucky enough to afford to--

--buy a new one ! Well they're all here, with the newest gadgets hung -- all--

--over them. Or perhaps you would like a motor boat !

This is the lowest priced car in the show, while this one costs more than a row of garden city houses.

A badly bruised head probably brought this idea into being. Roof--

--raising isn't it ? Will be appreciated by large people with small cars.

The motor show of shows , where thousands will sign on the dotted line. That door's got side, hasn't it ?
