WHEN BIG GUNS SPEAK !      Artillery at Sandy  
Hook gives imaginary invading fleet that sinking  
feeling.

-U.S.A.-

---

Picture:- After a lazy life for ten years the  
Railway guns--

--of the 52nd Coast Artillery are persuaded to  
say a--

--word or two--

--on coast defence.

CONTINUOUS LOADING, FIRING AND SHOT EFFECTS.

(3rd shot from end).

Well, it looks like good-bye to any ship which  
gets within range of those guns !
