Picture.:- The charming little lady on the arm of Mr.  
Brian Sellers has done what--

--dozens of our best cricketers have been longing to  
do--

--for years. They have lain in wait for Brian, at  
long field, mid-on,--

--and slips, with little success. Then Miss Bessie  
Walker took a hand in the game,--

--and the cricketer was caught. He has been captain  
of the Yorkshire team since 1931.

Running this new team of--

--two will be a joyous walk-over !
