WITH MASONIC CEREMONIAL - - Officers and brethren
of Ilford Lodge of Freemasons attend Divine Service in
aid of local and Masonic charities.

-Essex-

Picture:- Always ready to help the cause of charity,
Members of the Ilford Masonic Association attend Divine
Service--

--in aid of their King George Hospital and--

--the Freemasons' Nursing Home. Headed by the Director
of Ceremonies, followed by deacons, bath masters,--

--and reigning masters, hundreds of the brethren in
the regalia of the order pass to St. Clement's--

--Church for the special service of praise. In the--

--procession which includes clergy and choir are
carried emblems of the ancient order. A--

--Lewis carries the square and compasses, preceded
by the Mayor of Ilford and followed by--

--the volume of the sacred law.

In such work as this, masons all over the country
do much to ease financial pressure and alleviate the
suffering of sick people and distressed families.
