WORLD TITLE FIGHT - - Jackie Brown of  
Manchester wins the world's flyweight championship  
by defeating Young Perez of Tunis, in unforgettable  
fight at Belle Vue.

-Manchester.-

---

Picture:- Manchester has produced a--

--world champion - - the first Britain has had for nine  
years. Brown, with the striped pants - @ shows how hard,  
plucky and indomitable, North Country Britain can be.  
Perez is a fine fighter, an opponent--

--worth a slam of the heaviest fist. But Jackie Brown,--  
--well, - - - he's just Jackie Brown, world champion now !  
Attacking strongly, giving punishment, and taking a--

--lot too, he fights level with the Arab for almost ten  
rounds. Backwards and forwards go--

--the honours, with scarcely a point to--

--choose between them. In the 5th round Brown dislocates  
his thumb. The agony. But he grits his teeth and  
slogs with this injury.

Watch that mighty right hook. Oh it misses ! With  
And every punch--

--Brown lands, he inflicts wracking pain on himself.  
He suddenly makes a super-human effort. Perez staggers,  
all but driven through the ropes by the extraordinary  
last efforts of his game North Country man.  
The Noise is deafening, the audience--

--is frantic with joy. Brown, the world champion  
walks back to his corner.
