CROSS COUNTRY RACE - - 400 "novices" start in
14th annual run for the Scottish National Championship
at Hamilton Park Racecourse.

-Scotland-

Picture :- Four hundred young Scotsmen gather to take part
in the Novices Championship.

There go some of the youngest cross-country runners in
Britain. Many have never entered a big event--

--prior to this one. The National Cross Country Union--

--of Scotland is responsible for the run. And the
competitors--

--are drawn from 37 Scottish clubs. The--

--going is heavy, but the novices equip themselves gamely.
Four and a half--

--miles is a fair test for the best harriers. Back to--

--the race-course from which they started - - to finish by
lapping--

--round that. As usual, girls urge them on--

--to increase their pace. G.W.Hinde, wins the individual--

--championship for Edinburgh, and Springburn--

--Harriers secures the team championship. Fast movers
these novices !
