Picture.

(AFTER GERMAN COMMENTARY:- )

All of which means, in case--

--you don't know German, that there is a strike of  
transport workers which--

--causes Berlin a lot of--

--inconvenience. The Underground is closed and cars  
and 'buses--

--are tucked away in their sheds. Despite an  
arbitration--

--award, the strikers continue to strike,--

--and the business people continue to walk to work.
