

AS YOU WERE ! International football tournament
between England and Wales results in a goalless draw.

-Wrexham-

Picture.:- Lots of people here for the footer tournament
match between--

--England and Wales.

The Welsh team is well fancied owing to their--

--fine win over Scotland recently. The weather is depressing,
and the ground is soggy. The toss is won by JACK of ARSENAL,
and away they go ! England has won this event--

--for four consecutive years, so the hopeful Welshmen--

--are somewhat excited over the prospects of their side.
There's the goal cleared.

England is attacking well, but their play lacks
decision.

JACK in the forward line is doing splendid work.
Wales may score now !

No, they've broken again ! The shooting is poor--

--on both sides. A hard-fought game with lots of errors.
England fails in the second half,--

--and the Match is drawn with no scores.
