TOY TOWN TOPICS - - As Christmas approaches
the minds of young and old turn to thoughts of toys,
toys, and toys !

Picture:- This toy department of a great store proves
that despite the depression, Christmas is coming, and
will arrive--

--as per calendar. Ah ! Tableau of a small boy riding
a bare-backed bear !

A rough-riding girlie says she would like this in
her Christmas stocking.

Gather round, children ! What about a toy racing
car for Daddy to play with ?

I say ! Here's a dancing bear !

SOUND SHOT.

And something has happened to the cat !

SOUND SHOT TO END.
