SHOP EARLY ! - - Universal Talking News makes
an effort to 'speed up' Christmas shopping.

-London-

Picture.:- Christmas is coming ! Shop early !
It saves trouble, time and--

--temper. It saves rubbing dirty finger marks--

--off the Christmas cards you buy. It saves money
I'm told.

Privately, I believe that's a lie. However,
shop EARLY !

Otherwise this is what you'll be doing at the
last moment.

EFFECTS OVER UMPTREN SHOTS.

So shop EARLY if you have got any money !
