SOMETHING NEW (Number Eight). More bright
ideas put into practical form for the general good.

-London-

Picture.:-

(HUMMING).

- - That's the soap gone !

You need never slip up that way, if you use this new gadget. Everything is nicely hung up and time, money, and temper are saved.

An invention for the houses of--

--the new poor who earn a measley salary of fifteen hundred, or so, a year.

When your friend drops in for a spot of scandal, everything is ready to refresh and stimulate. Have a drink ? - - And smoke ? - $\frac{1}{4}$ -

Match ? - - Thanks ! - - O.k. !

Just a spot of mother's ruin, as a medicine, of course.

Cheers, dears, G'Bless !

And this is more or less how it works !

Now it's closing time. Good girls ! They know about the 'little more'--

--and how much it is. His - - pardon !
