ICE CARNIVAL - - French ice-skating experts
"do their best" to aid the funds of the Music Hall
Artistes' Union.

-Paris-

Picture. :- Here are some pictures of the Parisian Ice
Carnival, held at the Sports--

--Palace in aid of the Music Hall Artistes' Union. A
group of penguins is particularly effective and gets
lots of encouragement from a large audience. Parisians,
however,--

--are keen critics of dress and the performance of Mlle
Lucienne Bonne is certainly a thing of beauty.

EFFECTS, MUSIC, OR BOTH TO END OF SHOT.

Mademoiselle Bonne now gives an extremely attractive
and clever exhibition of a different type of skating.
She's going to do a spin which is the best thing I've
seen! Let's sit back and enjoy it!

EFFECTS, AS BEFORE, TO NEARLY END OF SHOT.

Very good, don't you think?

Another display of balance and gracefulness!

EFFECTS AND MUSIC TO FADE DOWN AFTER PUNCH MARKS.

Mlle Bonne's performance lives up to her name!
