ALL ROADS LEAD TO----- At this season of the  
year there is only one end to the turkey's trot --  
the Christmas dinner table !

-Scotland-

---

Picture:- At this time of the year, all roads for  
turkeys lead to -- No ! -- I'd better not say it  
aloud yet ! The birds might hear me ! It's a  
suspicious--

--occasion for them. Even the ringing of the chapel  
bell holds a sinister idea ! A lot more 'wringing'  
will be done before 'paid' is put on their bill.

They're a fine pack -- herd -- flock !  
What does one call a crowd of turkeys ? But it's  
a marvellous sight ! Soft-hearted house wives  
mustn't think of this picture when they're brussing  
the Christmas dinner. It--

--may spoil their appetite. Never mind, the birds  
will serve a good purpose. They'll make father  
do his annual carving act !
