<u>Picture.:-</u> If there are any smateur anglers in my audience, let them watch this ! It----is something they've dreamt, or lied about, but----never experienced. The Czechp-Slovaks do a little----fishing in the State Carp Ponds. When the----boats were hauled in, a circle of nets came with them, --and in the nets lovely carp.

Thousands at a draught ! Here's one - ---fifty-six pounds. Eust like the salmon you caught last week !
