"SHEPHERDESS OF 1933" - - Mlle Simone Bertrand, an
18-year-old maiden of Palmas, elected to "carry the
crook" at Watch Night revels in Paris.

-France-

Picture. :- Watch Night revels at Exhibition Park,
Paris, are worth attending. The revellers are put
into--

--flocks led by shepherdesses, and this stage show
is held to elect the "Shepherdess of the year 1933"
and her maidens. Grace and beauty are the principal
points to influence the electors. The--

--winning Shepherdess has the honour of carrying--

--the crook. No ! It's not a man !! It's a stick !

When the music stops, they take a bite to eat !
Hungry, Johnny ?--

--So am I ! The winning Shepherdess is Mademoiselle
Simone Bertrand, a lovely girl of eighteen years from
Palmas. Now, for a whole year, she will be "Little
Bo Peep with a Difference". Her sheep should stick
around pretty close if they've got sense.
