RIDING TO WIN - - the approval of the King !  
Cadets of Italian Cavalry School give fine display  
before H.M.King Victor Emanuel III.

-Rome-

---

Picture:- This final trial of horsemanship for Cavalry Cadets at Tor-de-Quinto is attended and watched by--

--King Victor Emanuel, the Italian War Minister and staff officers. This Cavalry School--

--is one of the most famous in Europe and--

--its students are drawn not only from those training for the--

--Army of Italy, but also from Cadet Schools of other foreign countries. The evolutions performed--

--at this display are difficult and frequently dangerous. Accidents do sometimes happen, but at this finishing stage they--

--are rare. By the time the training has reached the Passing--

--out Display, the horses know almost as much about it as the men.

Notice this steep incline negotiated without fall or stumble. ~~Ch~~ever work !
