

UPS - - AND DOWNS - - Skill, and lack of  
skill, provide many a thrill and spill at Collegiate  
ski-jumping contest on Lake Placid.

-New York-

---

Picture:- Undergraduates pack up lessons, and take  
to leaping for their annual ski-ing contest on Lake  
Placid, New York. The exhibition is like the curate's  
egg - - good in parts !

But it's all good to look at ! Watch this  
one!- - -

--A good jump - - - - but what a landing !

Another brave leap - - - to disaster !

Here's another for a horizontal finish ! This  
run will be littered--

--with skis pretty soon. A strong gravity pull--

--in this part of the country, and a big demand for  
arnica and sticking plaster. This looks a likely  
one ! He's been wise and acquired his--

--bump of knowledge before he started. A beautiful  
take-off, and a perfect jump ! With lucky he'll  
come down the right side up ! He is--

--the college champion ski-er for the--

--next twelve months. Two dozen of the best !
