

WINTER SPORT IN THE HIGHLANDS - -

Enthusiasts

enjoy all the fun of "Swiss" winter pastimes at Braemar.

-Scotland-

---

Picture:- Weather experts say that a 'deep depression from Iceland' brought the snow, but it causes --

--anything but depression in the Highlands.

Braemar vies with Saing-Moritz in providing the exhilaration of ski-ing, but adds--

--Highland hospitality to its--

--lure. If the lady likes her sport--

--that way, I'm sure nobody minds !

Mains McGregor, a farmer of--

--note, gives his girls a push doon the bray. This scene should encourage winter-sports enthusiasts to see Britain first. It's the only place where--

--the pound is worth twenty shillings.
