PIPE BAND OVER FIRST SHOT.

For seven score years, the Argyll and Sutherland Highlanders have roamed over the world, leaving with their dead, records of--

--deeds which are imperishable. Peaceful Colinton Bridge rings with the tread of the successors of those men--

--who fought at Balaclava with Collin Clive, and met death--

--as on parade when the troop ship Birkenhead sank, and the disaster--

--saddened the Empire. The British Army is rich in great traditions, but no--

--colours are more honourably inscribed than those just entering Colinton's Village Church for this anniversary celebration.
