MEN WITH AN AIM IN LIFE ! U.S.Army
airmen put up a good show in "ground target"
practice at Chapman Field, Florida,

-U.S.A.-

Picture:- As a little peace-time exercise, one
of America's observation squadrons--

does a 'spot' of target shooting practice in
Florida, and--

--the spotting is pretty good.

(EFFECTS UP TO LAST TWO SHOTS).

Just practice rehearsal, as it were!
When--

--the curtain for a performance goes up, good
night !
