JUNIOR DOG DERBY - - Young sportsmen of
Ottawa stage the most thrilling event of their
year - - the Minor Musers' Championship.

-Canada-

Picture:- Every dog that is worth the name, and can
pull a sled--

--is here for the Ottawa Junior--

Dog Derby. They're lining up, and getting restless to be--
--off, and there they go !

All different ways ! Some of them know a short
cut across town, and want to--

--take it, but this is a race--

--you dogs ! These town musers, of doubtful parentage,
are--

--copying those other wonderful animals of the Frozen
North, who race one--

--hundred and twenty miles in forty mile laps every
year as a test of--

--endurance. But these hounds have hearts of
champions, too, and--

--speed on, while the boys hang on.

The winning lamp-post is passed, and the
town's fastest dog gets a big bone !
