IN THE FAR EAST - - Military activity
heralds clash between Japanese and Chinese
forces at Shanhaikwan.

-China-

Picture:- Shanhaigwan, the district recently fought
over by the Chinese and Japanese is inspected by--

--General Suzuki, and General Nishi of the Japanese
Army. Elseady, this memorial shrine has been erected
to those soldiers of Nippon who fell in the encounters.
The capture of the city was--

--due to General Nishi who commanded the division which
took part the--

--leading part. Japanese troops are pouring into the
city for a concentration along the entire Jehol front.

Refugees are fleeing from the danger zone where,--

--to they hardly know or care, and now Japanese
delegates have abandoned Geneva.

Where is the great man who to roll back these
omnious war clouds ?
