INTER-COUNTY LACROSSE - - Cheshire defeats  
Lancashire, 10-4, in spirited match at Fallowfield,  
Manchester.

-Lancashire-

---

Picture:- Cheshire's lacrosse team, all nice and clean  
in white shirts--

meets Lancashire in a struggle for something or other  
that lacrosse--

--players want. Lacrosse is a fast game, and it's often  
played by girls, but that's--

--by the way. There's a raid on the Cheshire goal, but  
the ball is whizzed--

--to the other end, and Cheshire scores. That's--

--just how quick it can happen. Another attack for  
Cheshire ! The ball is solid, and when it hits  
anyone in flight, the mark won't wash off ! Lancashire  
scored !

Cheshire is attacking now, but it's time some'pep'--

--was put into the game. There's been nobody disabled--

--yet. Cheshire is scoring - - yes has scored ! ,-

--and now is leading by ten against four. Lacrosse  
is a great game - - for those who want to play it !
