"THE NATIONAL" - - Tom Evenson(Salford Harriers)
wins the National Cross-Country Championship from a
field of 347 at Alderley Park.

-Cheshire-

Picture:- Amongst this pack of runners in the National
Cross-Country Championship Race is T.Evenson, who ran to
international victory in 1930 and 1932. Will he succeed
this year. Many think--

--he will, and he thinks he will. He starts off with
a great burst to leave most--

--of a record field behind him. Lots of the runners
blotted their copy-books at--

--the water splash, but Evenson and a few other leaders
are already--

--over and off again. Nearing the finish the Salford
Harrier--

--champion Evenson is serious challenged by S.Dodds of--

--Wirral Harriers. Evenson snatches victory--

--from Dodds by only fifteen yards, winning a most
sensational--

--Cross-country race, and Birchfield Harriers again
secures the team championship in a great contest.
