ALL SCOTCH - - Big crowd witnesses final
for the MacTavish Shinty Cup at Bright Park.

-Inverness-

Picture:- Home Rule for Scotland takes a back seat
at Inverness to-day. Spean Bridge--

--Shinty team is to meet Caberfeidh in the final
struggle for the MacTavish Cup,--

--and the play's the thing ! Caberfeidh are the
present cup--

--holders, but Spean Brig is determined to change
all that, and draws first blood with an early goal !

Off again ! (The referee knows where he's
safe). The thought of giving up the cup--

--makes Caberfeidh redouble its efforts, but
Spean Brig remembers the cup is silver, and just
undoubles them.

The attack grows more grim, sticks rattle
angrily,--

--and Spean Brig puts up a score of six against
two.

Sir Alec MacEwan hands them the coveted
MacTavish Cup. It's a great day--

--for the teams. The victorious captain is
chaired and cheered, and the MacTavish Loving
Cup smells of strong drink.
