NEXT STOP, WEMBLEY !

High spots of the

Everton V West Ham F.A.Cup semi-final match at
Wolverhampton.

-Staffordshire-

Picture.:- Fifty-two thousand people surround the bit
of green--

--on which West Ham plays Everton for semi-final
honours. West Ham kicks--

--off, but Everton soon takes the play up the
Hammers' goal. It's gone--

--over the line. West Ham retaliates, and
their forwards break through the Everton defence.
There's a long shot to score which Sagar clears
easily. West Ham--

--started well, but Everton's strength and defence
gets stouter as the game proceeds, and the pace
increases until--

--it becomes a fast battle. Everton again forces
the play and looks--

--like scoring. Yes they have !

(EFFECTS).

Although West Ham gave their opponents little
scope--

--to develop attacks, Everton got most of the luck
to support the team's fine play and--

-the Hammers' hope of Wembley faded. Everton
wins two-one. This, with Manchester City's
victory over Derby makes the Cup Final an
all Lancashire one ! Ba goom, that's greet !
