

EVERTON'S BIG FIGHT - - Vast crowds greet
the F.A.Cup winners on their returning home
with the trophy.

-Liverpool-

Picture:- Every house in Liverpool must be empty
to-night ! All the population have turned out to
welcome the triumphant cup victors.

(EFFECTS).

(EFFECTS).

Three-hundred people had to receive attention
for minor injuries, but they welcomed the team !

Scores of women fainted into the arms of
men to whom they hadn't even been introduced - - the
sight of Dixie Dean holding the trophy was too much
for them ! What a night ! What a welcome !

This is the first time Liverpool has seen
that cup for twenty-seven years !

An omnibus and two private cars were
wrecked in the crush.

But that's a detail ! The important thing
is that Everton has brought home the Cup !
