RUGBY LEAGUE CUP FINAL - - Big crowd witnesses
great struggle between Huddersfield and Warrington at
Wembley.

-Middlesex-

A few more people from the North, some eight thousand-----
-----come to Wembley to-day to see the Prince of Wales-----
-----and, incidentally, the Rugby League cup final match.
Huddersfield and Warrington are the opposing forces (PAUSE)

EFFECTS

-----Experts have told me that this is the finest Rugby League
-----game they have ever witnessed. I expect the roar told
you that was a goal. -----

-----The game is unlike Rugby Union play. Three important
differences are; only thirteen a side---

-----(seems unlucky from the start); the ball must bounce from
play into---

---touch; and a converted try is counted as a goal and try.
There's a fine run(PAUSE)-----

----The battle royal ends in triumph for the White Roses.
Huddersfield wins by twenty one points to Warrington's
seventeen. The excellent play makes it a triumph for both teams
