MAMMOTH MEMORIAL - - High explosives used to
mould mightiest tribute to George Washington from
granite cliff.

-Rushmore, U.S.A.-

Picture:-

America ensures that the memory of George Washington
shall--

--be as ever-lasting as the mountain rocks. The colossal
face is--

--hewn in solid natural granite. (DRILLING).

(EFFECTS).

The nose is eighteen-feet long. Now, is anyone
going to boast he can--

--beat that ?
