GOOD HEALTH -- Nearly 1,000 girls from all parts of Britain demonstrate health and beauty exercises before a large crowd in Hyde Park.

-London-

Picture:-

It's half-past seven in the evening. After a strenuous day in offices and--

--shops, these girls briskly march on to a grass--

--covered patch of Hyde Park. They're not amazons, nor do they desire to be. The excellent aims of sturdy--

--health, graceful poise and beauty of body have brought them here.

Their ultimate goal is to improve the--

--health and physique of the race. (PAUSE).

It's one of the young people's movements which illustrate the modern trend towards fitness of--

--muscle and mind. (PAUSE). This leader is surely the personification of grace.

There's a lot of life and kick in the Women's League of Health and Beauty, of whose bouquet of 1500 members, this bunch of the flower of womanhood is--

--picked. (EFFECTS).

Exercises for suppleness ! Not a rheumatic creak to be heard !

(EFFECTS).

A twisted action, demonstrating her honesty of purpose, and her freedom from waist line fat.
