Picture:-

No.23(Fighter) Squadron rehearses for the R.A.F  
Display :

(EFFECTS).

The arrow flight ! With a course as straight,  
and a speed as swift ! - - Led by Squadron-Leader  
H.G. Crow, M.C.

(EFFECTS).

A sky triangle ! Not so eternal, or as dangerous  
as the domestic triangle !

Here's the finish of the drill ! These machines--

--are the Hawker-Demon, the latest and fastest  
machines of their type, capable of one-hundred-and  
ninety miles an hour.
