The escort for the Colour approaches the ensign.  
It is rare for a regimental sergeant-major to draw his  
sword, but this is one occasion on which he does so,

--and the actual trooping--

--of the Colour commences. (EFFECTS).

The Household Cavalry march off parade.  
(SLOW MARCH - 5 SHOTS).

It's the Duke of Gloucester nearest the camera.

And for another year, Whitehall's great historic  
pageant passes.

A tableau of Britain's dignity and--

--a colourful tribute to her King. Long live His  
Majesty.
