The colours brought out by this sun---
--are amazing. It's a real gala scene capped--
--by the arrival of Their Majesties the King and Queen.

The parade excites mild interest, but it's almost too warm to get 'het up' about--

--anything. Cantering back to the post! "Solfatara" is expected to win this event.

Line up and off! "Versicle" and "Betty" have dashed into the lead. "Solfatara" and "Chatelaine"--

--are behind them. At Fattenham Corner "Versicle" drops behind and "Betty", ridden by Childs. And "Solfatara" gets ahead. "Chatelaine" passes "Fur Tor"--

--and goes after the favourite. "Chatelaine" with Sam Wragg up is making a great effort. Backed as an outsider too! Twenty-five's, I believe! "Chatelaine" has caught and is passing "Solfatara", - - has passed "Solfatara", and is going to win - - a fine race! "Chatelaine" has won.

The bookies and Sam Wragg are pleased. The punters are quietly sobbing into their beer mugs.
