"SHERWOOD FORESTER" - Men of the famous
regiment form guard of honour at
unveiling of their crest on L.M.S. Engine
named after them.

- Derby -

Picture: EFFECTS.

EFFECTS.

EFFECTS.

Major R.L. Sherbrooke of the --

-- Sherwood Foresters, unveils a regiment crest on the --

-- Royal Engine "Sherwood Forester" . The locomotive is the --

-- latest of the Royal Scot class to take the iron road. There
are now fortyfour of these engines, named --

-- after famous British Regiments. Twenty of them have been
built --

-- at Derby. Comparison makes the old rocket look like a badly
made comic toy !
