HAPPY DAYS - - Holiday makers revel in the freedom of a bathing costume vacation at coast resorts.

Picture.:-

Have you had your holiday, or are you still--
--looking forward to it? Well, which ever it is you may look at these joyful pictures--
--and either recall or anticipate.

The sunshine twins, taking a course of violet rays, and they don't care who knows it.

Muscular young females of the species show their lightness and grace --
--to the lazy sun-bathers.

Their delight is to do a good turn and they shape up very well.

Lots of young accountants are here for their holidays. It keeps them in--
--touch with their profession. Studying figures.

Every year more people are taking a daily sea dip. The charge for a--
--hotel bath is 1/-. (PAUSE).

The most daring tournament is staged. A contest with--
--push, pull and puff. The pair who stay the course longest are allowed to stop him and--
--buy one' at the loser's expense. If a bathing costume gets severed, first aid is applied with a bath wrap.
