YORKSHIRE SHOW - - Heavy attendance  
at ninety-fifth annual show of country's Agricultural  
Society at Middlesbrough.

Prize winning cow chowers these ! Great beasts !  
What a head ! What a cow !

The Yorkshire Agricultural Show is in its 95th  
year, and--

--still going strong. There are large entries--  
--of horses, finely shaped animals which compell--  
--the admiration of the judges.

The supply of bacon rashers looks very  
substantial,--and lots of eggs in the dairy  
section--

--makes one's mind fairly easy about future  
breakfasts.

Hunters are shown the jumps before  
displaying their--

--capabilities before the visiting crowds.

(EFFECTS) - 8 SHOTS.

This sort of show seems to counteract  
the pessimistic--

--pundits who foretell British Agricultural  
bankruptcy.
