

"AGES" HIGH !!

Enormous crowds thrilled

by daring pilots in American National Air Display.

-Los Angeles-

Picture.:-

Los Angeles sees a big air show. A fleet of sky bombers--

--provides a noisy thrill. (EFFECTS).

The winning plane in the Bendix Trophy Race arrives. It has flown across the American Continent in 11 hours 35 minutes, breaking all Trans-Continental records.

The winner, Colonel--

--Roscoe-Turner emerges from the cockpit.

In his own words, tired, but ticked--

--to death.

And Here in Ernest Udet, a famous--

--German stunt flyer. Looping only a few feet from the ground. (EFFECTS).

Here's a new one ! Looping in an auto-giro. (EFFECTS).

Paul Mance, a noted stunt merchant shows a very nice line in sky drawing. He's in a nose dive. Look ! (PAUSE)
Hoo ! Just another stunt !!

More artistic aviators making pictures on the canvas of the universe. (PAUSE).

The weather is windy,--

--but the parachute jumper is not. He's going to land in the middle of the crowd. He's right in somebody's lap. Aren't some girls lucky ?
