Picture.:-

Privileged pictures from the very inside of
a Nuddist--

--Colony. All the members are dressed--

--up in their brand new sun-tan suits.

Ha ! Ha ! I see that one's back again !

They come and go just as they--

--please, eat big lunches of fruit and other--

--natural foods and laze it off as their fathers--

--before them. They trump their partner's aces--

--in the good old fashioned way. Two beams of
real sunshine.

Oh ! Cards again ! Look they're all
playing a real skin game.
