HUMAN SHALLOWS - - Exclusive pictures of
the National Graceful Diving Championship at Highgate Pond.
-Middlesex-

Picture:-

On the raft are some of Britain's finest--
--divers. All are entered for the National Graceful--
--Diving Competition. H.J.Aldous, who is competing--
--to-day, won the title 25 years ago.

And he's still as graceful as ever.

He ought to turn himself--
--into a 'Society for Combatting the Middle-Aged Spread'.

Another of the--
--competitors is only sixteen years old.(PAUSE).

This is one of the most attractive water--
--events of the amateur--
--swimmer's year. (PAUSE).

A spectacular group dive ! Rather a wonderful
sight !

L.G.Marchant, of South--
--London, wins the graceful diving Championship title.
Worth falling for !
