Ladies at football ! The English misses
pose for the camera just before their starting their--
--match against the French mademoiselles of Salford.

The Captains agree that there is to be no
scratching or--

--biting, and off they go ! It's a hot
game ! When I tell you that the thermometer--

--stands at 90 in the shade, you will understand
what I mean--

--by a hot game. The English players are faster
than the French girls.

(on the field !) And/better control of
the ball. The energy of that goal-keeper
makes me go hot !,--

--tee. How anyone can be expected to comment--

--on football to-day, let alone play it,
I don't know ! Hello ! One lady has fallen !
Again the woman pays !
