

HOLIDAY ATHLETICS - - British Universities  
International team meet Hertford and Bedford teams prior to  
foreign tour.

-Bedford-

---

Picture:- The British International Universities team  
arrive to sharpen their sporting steel on the--

--talent of the shires of Bedford and Hertford.  
The next Universities engagement is at Turin--

--for the World's Students Championship. After Lord  
Amphill's address of welcome, the Mayor of Bedford  
presents the Union flag to the leader of the Universities  
Team.

We hope it will later wave victoriously at the  
International--

--Meeting in Italy. The 110 metres hurdles. The  
speed is very fast, and the hurdling is clean and  
confident. First home is--

-- E.D.T.Vane, of London University.

The long jump by C.L.Bickerton of Hertford.

F.W.Goodbody of Cambridge, former public school  
champion.

S.J.Bates, of Hertford, joint county champion--

--wins this event. Pity he's not going to Turin  
Bravo Bates of Herts.

Throwing the javelin, a feat--

--which looks much easier than it--

--really is. L.R.Woolmer, of Hertford throws--

--a very excellent effort which--

--is beaten with a fine flight by E.R.Turner, Bedford.
