GRASMERE SPORTS - - Men of the North compete
in strenuous events at "world's" most difficult meeting.

Picture:- Grasmere's natural stadium again sees the men of
the--

--lakes and fells at their sports. Pole jumping is one
favourite item.

That's a climb, as well as a jump.

These are champions in their class, but that one
has blotted his copy book. Hard Luck !

Cheery Lord Lonsdale is here, behind the inevitable
cigar.

A high spot ! Cumberland wrestling ! This style
requires tremendous straight-forward strength. A contrast
to the 'all-in' hotch-potch ! A clean throw, and shoulders
to the mat !

Lord Lonsdale congratulates the winner of the bout.

The most famous event is the Fell Race. The runners
are local mountain-guides, and the course is a--

--trying one. At times it's like running up the--

--side of a house, and a pretty rough house,--

--at that ! (PAUSE).

Not quite so bad coming down ! Rolling down would
be easier !

R.G.Gilpin, a well-known local athlete wins, and
becomes the year's champion.
