YOU DIRTY DOG - - Dog owners solve problem
of keeping their pets clean whilst on holiday by the sea.

Everyone who has washed a dog knows that the--
--only safe costume is a birthday, or a--
--bathing suit, with lots of soap and--
--the ocean. These attractive owners of attractive
dogs bespoke the sea for their poodle pets--
--washing day. Plenty of room and nothing to spoil--
--in the splash. The job is completed by hanging out
the washing--
--in the hot sun! Under these circumstances--
--can't blame the pups for having--
--a 'hang-dog' look. Horace, keep your tail up !
A snappy line in 'hot' dogs !
