"BOUNCING BIKES" - - Girls adopt the
Rhythm Cycle as novel aid to securing the slim
outline.

-San Francisco-

Picture:-

Well ! Well ! Well ! Everybody has a Hobby,--
 --but this is a new one ! "Bouncing bikes" - - correct name
 "Rhythm--
 --Cycles". The motion is--
 --a combination of horse riding, rowing, and cycling.
 The gentle rhythm is said to reduce--
 --the waist line and impart energetic grace to the figure.
 Girl--
 --Rhythm riders love it, but no man has yet had the
 enough--
 --pauk to try it in public. *The world would*
 Well ~~it's attracting a lot~~--
 --of attention. No knowing what these new ideas will
 do. Organisers of sports meetings are--
 --watching it closely, and pedestrians - - believe me !!

& explain ourselves
