Jabez Wolfe's swimming protege has conquered the Channel. The first successful--

--attempt this year. Miss Sunny Lowry, a Manchester--

--girl of 22-years was in the water--

--15 $\frac{1}{2}$ hours, and ended her swim--

--quite fresh, and clean. Hold that one ! This ball practice helped to make her a perfect swimmer, and a girl who can actually throw straight.

Jabez Wolfe displays what Miss Lowry swims with. He's evidently a Knight of the Carter.

Bravo, Sunny Lowry ! And just another medal for Manchester.
