ESCORT OF SPEED BOATS - -

Mr.Scott Paine receives cordial welcome on returning home after plucky but unsuccessful bid to win International Motor Boat Trophy at Detroit.

-Southampton-

Picture.:- On the passenger-list of--

--the 'Empress of Britain', the name of Hubert Scott Paine--
--appears, and he's not coming home without a little shouting.

He is welcomed by an armada in miniature. 25 speed-boats escort the great liner back. As you know,--

--Scott Paine is the hero of a courageous but unsuccessful attempt--

--to wrest the motor-boat speed record from America. The odds--
--against him were too great. That's not--

--an excuse. It's a fact. Britain's boat was 1400 horse-power against "Miss America's" 8000 horse power. All things considered, Scott Paine can be congratulated on a--

--glorious defeat. (PAUSE).

There are Mr.and Mrs Scott Paine and Captain Latta.

It has cost 24-thousand pounds to contest this speed boat title; most of which--

--has been borne by the challenger himself. Well, that's one record America has kept.
