

QUARTER DAY! Michaelmas brings thoughts
of the quarter's bills - - and, perhaps in a lesser degree,
thoughts of the succulent goose!

Geese, on the world's largest goose farm in California,
know their job. They know it's Michaelmas time, and they
parade--

--and march gaily to the - - no, fly gaily to the canning
house. They know Michaelmas tables--

--must have the best roast goose, and in this case, like
many other geese, think they're the best!

Oh! Sorry! I'm all wrong! It's not sacrifice
they're looking for! It's food!

And I thought it was just American bird patriotism.

Take your feet out of the plate!

Most will be fitted into tins. The sober looking
birds--

--will be canned. The very idea makes me - - (hiccup).
