CUB HUNTING - - Young hounds of the Holderness  
Hunt welcome the morning of their first Meet with joyous  
cries and wagging "rudders".

-Yorkshire-

---

Picture :-

The cunning young hounds. They're up early this--  
--morning. The Cub-hunting season has commenced, and they're--  
--getting a day out. The huntsman prepares for--  
--parade. The kennels are--  
--opened, the hounds are out, and the Hunt is up ! Well, it  
will be--  
--in a few minutes. A few experienced old hounds are  
amongst them to teach the youngsters their job, Into  
cover ! Looks as if they're --  
--training for hurdle-racing. Their noses are--  
--down, and the cub is in danger. They have --  
--found and finished fasting, without going into details.  
Well, it's a cheery sport, for them as likes it !
