Picture.:- A football team from Chili and Peru has come to England to play matches with British and Irish teams. And what could be more international than that? I am sure you would like to know the-

--names of some of them anyway. There's the Captain - - Alejandro Villanueva, (nearly--

--fell at that fence !) Eduardo Schneeberger, Guillermo Subriabre, both forwards !

Four Peruvian backs ! Oh No, please ! Thank you ! Arturo Fernandez, Antonio Maguilon, and the other two you can look up in your newspapers !

Luis Montero, a half back. Roberto Lucco, another forward !

This is the first time any South American team has visited Britain.

You football fans can watch their stule. There's a spot of good shooting. They hope to--

--play Everton, Liverpool, and other first rank teams. There's a --

--smart save by Juan Valdivieso.

Happy days in England ! Hasta la Ago ! Senors !
